Subject: Letter of recommendation

I, Ellena Tessore, take the pleasure of recommending Mr. Julien Fleuridas, who has completed an internship with the Olympique de Marseille Licensing & Eshop team.

Julien quickly stood out for his autonomy, analytical skills and ease of integration. He won the confidence of the whole team through the consistent quality of his work, his responsiveness and his reliability. During a particularly intense period, his efficiency and sense of priorities were a real support to me.

Julien has also shown relevant initiative, actively contributing to the improvement of certain processes. Not only did he meet expectations, he far exceeded them.

Beyond his technical skills, Julien has an extremely pleasant personality: flexible, jovial and always in a good mood. His departure has left a void in the team, both on a human and professional level.

I unreservedly recommend Julien, convinced that he will fit in with ease and bring real added value to any structure that welcomes him.

I remain at your disposal should you require any further information.
Sincerely

Ellena Tessore
